OPERATIONAL STATUS

Needs attention

6

SD storage reported a failure

The latest sample reports sdOk = false. Check the node's local SD card.

Node 51

SD storage reported a failure

The latest sample reports sdOk = false. Check the node's local SD card.

Node 52

SD storage reported a failure

The latest sample reports sdOk = false. Check the node's local SD card.

Node 53

SD storage reported a failure

The latest sample reports sdOk = false. Check the node's local SD card.
